

INVESTMENT GUIDE

SITTING FEE

For most sessions, except for weddings or personal branding, you'll pay a \$100 sitting fee at the time of booking. This fee covers the time at the session and the coordination leading up to it.

REVEAL APPOINTMENT

1-2 weeks after your session we will meet in person or virtually for me to reveal your photos to you. I will also have some sample items designed for you to view. This is the time where you place your order, so all decision makers should be present.
